„ZUR FELS“

Over 120 Years of history with our worker support association in Niedermohr

1905: New, „worker’s support association 1905 e.V. Niedermohr” founded as insurance association; to provide financial support to members in need.

1914: A new club flag marks a key highlight and is inaugurated on the former forest festival site “Im Jungenbusch”

1971: On February 6th, the official groundbreaking ceremony for our clubhouse, which you are sitting in right now, was held. It was officially inaugurated on May 1st, 1972 and formed the base of many club activities. Especially our legendary “Felsenfest” attracted visitors from far, far away to the "Fels"(short local German version of “rock”)

In 1994, a new expansion adds a dining area, beer garden and equally important washroom facilities. A variety of annual events for both young and old were established. Particularly the “KERWE” is worth mentioning, which was held for the 25th consecutive time on these very grounds in 2015.

1996: the FELSENRÖCK era began, also known as “OPEN AIR on the FELS”, bringing a real Rock Festival Feeling and quickly gaining recognition beyond regional borders. During these years our facilities were expanded continuously (e. g. a playground was established), providing a beautiful event space for our community.

2005: the 100th annual anniversary of our association was celebrated.

For more details about our association’s history, check out our anniversary publications around our clubhouse. This is unfortunately only available in German but hey, since you are here, you might as well give it a try.
